MISSION AND OVERVIEW

Venice Family Clinic's mission is to provide quality primary health care to people in need. Thanks to the help of our robust volunteer program, the Clinic is able to provide services to over 20,000 men, women, children, teens, and seniors each year.

ROLE DESCRIPTION: DIRECT CONTACT WITH PATIENTS AND MEDICAL PROVIDERS

Venice Family Clinic (VFC) is in need volunteers that are confidently bilingual in Spanish to assist our volunteer physicians and specialists. These volunteers will have direct patient contact as their primary responsibility will be to provide direct communication between providers and patients. This is a great opportunity to learn more about the day-to-day work in a community clinic as well as gain valuable experience alongside our renowned medical team.

Potential volunteers will be asked to complete a language assessment prior to placement. If one fails the assessment, we encourage you to volunteer in another front-facing role at VFC in order to practice your Spanish.

HOW TO APPLY

Please send a resume + cover letter that describes your fitness for this position to VFCvolunteer@mednet.ucla.edu. List the role and your name in the email title.
